Dear Mr. Pell:

Subj: YOUR FREEDOM OF INFORMATION ACT (FOIA); CASE NUMBER
DON-NAVY-2018-004963

We are writing today to respond to your request. Regarding item #1, installation asset managers submitted quarterly reports about construction and renovation progress to the Director, Special Venture Acquisition (SVA), Naval Facilities Engineering Command (NAVFAC) Headquarters. SVA shared this information with the Assistant Secretary for Energy, Installations and Environment (ASN(EI&E)) semi-annually. We have enclosed all pertinent slides from multiple progress reports (19 pages). This is being released to you in its entirety. These are from SVA's semi-annual project-specific and programmatic reports to ASN(EI&E) on construction and renovation progress starting with the year this reporting requirement was enacted in 10 U.S.C. section 2885.

New housing construction across the Department of Navy (DON) portfolio never fell 90 days or more behind schedule, and DON did not report any deficiencies. Thus, after a thorough search, we found no records responsive to items #2 to #5 in your request.

In item #6, NAVFAC does not have this Office of the Secretary of Defense (OSD) report in our records. SVA is currently reviewing OSD's draft 2015-2016 annual report under 10 U.S.C. section 2884.

If you consider this to be an adverse determination, you may appeal. Since you have created an account in FOIAonline, you may submit an appeal directly within the web-based system. To do this, you would log in to your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column.
